Equipment

For the World Championships you will be required to have the following:

- All FIE stamped or tagged equipment
- Your last name and country (USA) on the back of your jacket or lame. This must be screened on, not sewn or written with a marker
- The country colors (the red/white/blue starburst) on both legs
- Sabre Fencers – you must have the new transparent mask to compete.
- Junior Fencers – your uniforms must be identical in markings and patches (if any) to your team mates for the team matches.

If you are unsure about any equipment please check with the armorors at Junior Olympics. If you need equipment or screening, please buy it at Junior Olympics.

Drug testing will be performed at the World Championships.

Detailed information from the U.S. Anti-Doping Agency (USADA) can be found on their website (www.usantidoping.org). If you have questions regarding specific mediation, please call their drug line at 800-233-0393.

Please keep in mind the following information

- Just because a medication is purchased over the counter, doesn't mean it doesn't contain something that will cause you to test positive. Always check with USADA first if you are unsure.
- Over the counter medications purchased in different countries can contain different ingredients than the same medication purchased in the USA. Be Careful.
- Vitamins, herbal supplements, and energy drinks/bars can contain prohibited substances. Take at your own risk.

Please contact USADA with any Drug Testing related question. They are the experts.

ACKNOWLEDGMENT, WAIVER AND RELEASE

THE UNDERSIGNED member (or parent/legal guardian of a member under the age of 18 years) of the United States Fencing Association ("USFA") delegation to the 2006 World Junior/Cadet Championships in Taebaek City, KOR, hereby acknowledges and agrees:

1. That the World Junior/Cadet Championships are taking place at a time of international unrest during which the United States is engaged in armed conflict on foreign soil;
2. That the USFA, its officers, employees, executive committee and volunteers, have decided to enter a United States delegation in the World Junior/Cadet Championships;
3. That there were countervailing considerations in the decision to send a delegation;
4. That in considering its decision, the USFA, its officers, employees, executive committee and volunteers have acted in good faith to decide the matter reasonably, with due concern for the safety of the delegation and its members, but that such persons are not experts in such matters as international affairs, security and related fields, and that such persons have by necessity had to act quickly and with possibly incomplete information;
5. That no qualified member of the delegation is being required to attend the World Junior/Cadet Championships, and that each delegation member has been given the option of attending or not, as he or she (or, in the case of a member not of legal age, as his or her parent/legal guardian) believes to be in the member's own best interest, without reliance on any information, assurance or expectation of specific benefit from the USFA, its officers, employees, executive committee, and volunteers;
6. That the insurance policies maintained by the USFA for the benefit of its members, for its own liability protection and for the liability protection of its employees, officers and volunteers, may contain exclusions from coverage for "acts of terrorism" or for "acts of war," and that such policies also contain coverage limits that could result in incomplete benefits even for covered events; and that consequently, the USFA cannot guarantee either the existence or extent of insurance protection for delegation members;
7. That the USFA has made it a condition of inclusion in the 2006 World Junior/Cadet Championships delegation that each member thereof (or, in the case of a member not of legal age, his or her parent/legal guardian): (a) acknowledge the foregoing facts and considerations; (b) waive any claims that the member and his or her estate, heirs, successors, family members or representatives may have or may obtain against the USFA and its employees, officers and volunteers, arising out of the decision to send a USFA delegation to the World Junior/Cadet Championships; and (c) release the USFA, its employees, officers and volunteers from any liability for any occurrence in connection with travel to and from the World Junior/Cadet Championships, from participation in the World Junior/Cadet Championships or from the member's presence in the locale of the World Junior/Cadet Championships for the duration thereof and for periods associated with but taking place before and after the World Junior/Cadet Championships.

ACKNOWLEDGING THE FOREGOING, and in the exercise of his or her independent judgment, undersigned member (or parent/legal guardian of a member under the age of 18 years) has elected to join the USFA delegation (or in the case of such parent/legal guardian, to allow the underage individual to join the USFA delegation) to the 2006 World Junior/Cadet Championships, and as an inducement to the USFA for including such member in the delegation, agrees as follows

1. Assumption of Risk and Responsibility. The undersigned member (or parent/legal guardian of a member under the age of 18 years) agrees to assume and hereby assumes all legal and financial responsibility for any and all risks, dangers, injuries, damages and losses, whether to person or property, and whether physical, psychological, social or economic, that the member may, in any manner and from whatever cause, sustain in connection with membership in the USFA 2006 World Junior/Cadet Championships Delegation; and
2. Waiver of Liability. The undersigned member (or parent/legal guardian of a member under the age of 18 years) waives any claims that the member and his or her estate, heirs, successors, family members or representatives may have or may obtain against the USFA, its employees, officers or volunteers, arising out of the decision to send a USFA delegation to the 2006 World Junior/Cadet Championships or from information provided to the undersigned in connection with or for the purpose of assisting in the decision of the undersigned concerning membership in said delegation or the execution of this document; and
3. Release and Indemnification. The undersigned member (or parent/legal guardian of a member under the age of 18 years), for himself or herself, and for the member's estate, heirs, successors, family members and representatives, hereby fully and forever releases, discharges, holds harmless and agrees to indemnify USFA and its employees, directors, officers, members, officials, coaches, committees, volunteers, affiliates, representatives, agents, and their respective successors and assigns, from and against any and all liabilities, losses, claims, demands, litigation, damages and judgments, present or future, known or unknown, valid or invalid, direct or consequential (whether physical, psychological, social, economic or otherwise), together with reasonable costs and attorney fees, which result directly or indirectly from injuries, illness, disability (whether permanent, temporary, total or partial), death or other harm to the member, the member's property or the member's estate, heirs, successors, family members or representatives, or otherwise, that may result in any manner and from whatever cause, in connection with member's inclusion in the USFA 2006 World Junior/Cadet Championships delegation or the member's participation in that event.

- Chief of Mission
- Team Captain
- Team Leader/Manager
- A team coach whose athlete(s) are not involved

The hearing to investigate charges, recommend discipline if appropriate, and where necessary to impose disciplinary measures shall be conducted at a time and place and in a manner determined by the highest-ranking member of cadre present (ranked highest to lowest from the preceding list top-down). The hearing shall provide the accused due process rights as follows: the right to be present, the right to be represented, the right to confront and question witnesses, the right to call witnesses and the right to address the panel. Promptly following the conclusion of any such hearing, the Disciplinary Panel shall report to the International Performance Steering Committee or its successor body (IPSC) the nature of the charges, the conclusions of the investigation and any discipline imposed or recommended.

The Disciplinary Panel may take the following actions, among others, during the course of the activity:

The consequential costs of any disciplinary action imposed by the Panel or by the IPSC and any reasonable expenses incurred by the USFA or its members in connection with the disciplinary proceeding shall be the responsibility of the party being disciplined.

The decision of the Disciplinary Panel may be appealed to either the IPSC, the Executive Committee of the Board of Directors or the Board of Directors of the USFA, at the election of the appealing party. The body to which the appeal is addressed shall appoint a panel to hear the appeal and render a final decision as expeditiously as reasonably possible.

These rules and regulations have been promulgated for the protection of all fencers, coaches, officials and others under the authority of the United States Fencing Association.

8.3.3. USFA Sexual Harassment Policy

POLICY STATEMENT

It is the policy of the USFA to promote a cooperative work and sports environment in which there exists mutual respect for all athletes, coaches, officials, volunteers and staff. Sexual harassment is inconsistent with this objective and contrary to the USFA policy of equal employment and sports opportunity without regard to age, sex, sexual orientation, alienage, citizenship, religion, race, color, national origin, ethnic origin, disability, or any other personal status. Sexual harassment is illegal under Federal and State laws, and will not be tolerated within the USFA.

PROHIBITED CONDUCT:

It is a violation of USFA policy for any employee or member of the USFA to engage in sexual harassment or to retaliate against any member of the USFA for raising an allegation of sexual harassment or for filing a complaint alleging sexual harassment.

Definition of Sexual Harassment

For purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other oral and written communications or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of any individual's employment, USFA appointment, selection to a USFA team or participation in any USFA activity.
2. Submission to or rejection of such conduct by an individual is used as a basis for any decision affecting the employment, USFA appointment, or USFA selection or participation in any USFA activity by such individual.
3. Such conduct has the purpose or effect of interfering with an individual's work, sport performance or participation in USFA activities or creates an intimidating, hostile or abusive work or sport environment.

EXAMPLES OF SEXUAL HARASSMENT

Examples of sexual harassment include but are not limited to the following:

- Requesting or demanding sexual favors in exchange for employment or sport opportunity such as hiring, firing, USFA appointments, USFA selections or participation in a USFA sponsored activity
- Submitting unfair or inaccurate job or sport evaluations or denying training, promotion or access to other employment, sport or organizational opportunities because sexual advances have been rejected
- Sexual comments, teasing or jokes, sexual slurs, demeaning epithets, derogatory statements about an individual's attire or body
- Inquiries or discussions about sexual activities
- Pressure to accept sexual invitations, to meet privately, to date, or to have sexual relations.
- Sexually suggestive letters or other written materials
- Sexual touching, brushing up against another in a sexual manner, graphic or sexually suggestive gestures, cornering, pinching, grabbing, kissing, or fondling.
- Sexual assault or non consensual sexual relations

CONSENTUAL RELATIONSHIPS

Amorous dating or sexual relationships that might be appropriate in other circumstances have inherent dangers when they occur between supervisors or other members of the USFA in positions of authority and any person for whom there is a professional responsibility. These dangers can include:

- Athletes, volunteers or employees may feel coerced into an unwanted relationship because they fear that refusal to enter into the relationship will adversely affect their employment, sport opportunity or ability to participate in USFA activities

- Conflicts of interest may arise when supervisors or officials are required to evaluate performance or make personnel decisions with respect to an individual with whom they are having a romantic relationship
- The perception that employees, volunteers, coaches or athletes who are involved in a romantic relationship with a person having professional, supervisory or promotional responsibility for them might receive an unfair advantage
- That if the relationship ends in a way that is not amicable, it may have an undesirable effect on either or both of the parties, and the USFA.

Supervisors or other members of the USFA in positions of authority who have professional, supervisory or promotional responsibility for other individuals should realize that any romantic or sexual involvement with other employees, volunteers, coaches or athletes may raise questions as to the mutuality of the relationship and may lead to charges of sexual harassment. For the reasons stated above, such relationships are discouraged.

FALSE AND MALICIOUS ACCUSATIONS

Members of the USFA who make false and malicious complaints of sexual harassment, as opposed to complaints which, even if erroneous, are made in good faith, will be subject to disciplinary action.

PROCEDURES:

The USFA has developed procedures to implement this policy. The President and Executive Director have the ultimate responsibility for overseeing compliance with this policy. In addition, each Officer, Committee Chair, Team Captain, Team Manager and activity supervisor is required to report any complaint of sexual harassment to the President and Executive Director. All employees and members of the USFA are required to cooperate in any investigation. If they fail to report any incident of sexual harassment, or refuse to cooperate in any investigation they may effectively waive or forfeit any available remedies at law and may themselves be subjected to disciplinary action for failure to comply with this USFA Sexual Harassment Policy.

INVESTIGATION

A designated USFA representative shall schedule a confidential meeting with the person making the complaint. Thereafter, that representative shall thoroughly investigate the complaint, which investigation will include an interview with the alleged harasser and any potential witnesses. Upon completion of the investigation, the person making the complaint shall be contacted and advised of the outcome of the investigation. The USFA will conduct the investigation as expeditiously as possible and will act upon its results as appropriate.
